To Whom It May Concern,

My name is Corinne Harnden, and I teach English at Brown City High School. I am writing this letter of recommendation on behalf of Carlos Kirk. I have had the pleasure of having Carlos as my student both last year in Test Prep, and this year in English 12. I believe his imagination, determination, and work ethic will allow him to be successful in his chosen career as an automotive designer.

Carlos has taken graphics at the Sanilac County Career Center. As a student there, he has lead tours of the program for visiting 8th and 10th graders from schools in our county, as well as learning many design programs such as Photoshop, Indesign, Garage Band, Imovie, and Illustrator. This knowledge has prepared him for the next step in his career at the University of Michigan, Flint.

In class, Carlos is on task, helpful to others, and participates in class discussion. I have enjoyed him as a student. He cares about others and shows empathy towards his peers. He has always been respectful and it has been a pleasure to have him as my student.

Please consider Carlos for this position. I believe he will continue to work hard and do his best in the future.

Sincerely,

Corinne Harnden
